Public Notice No. R3-2007-0050

NOTICE OF PUBLIC HEARING

**RESCISSION OF WASTE DISCHARGE REQUIREMENTS
ADOPTION OF WASTE DISCHARGE REQUIREMENTS
ADOPTION OF CEASE AND DESIST ORDER**

**FOR
ARLEN HAFFNER
CASA DE MONTGOMERY
SANTA CRUZ COUNTY**

On the basis of preliminary staff review and application of lawful standards and regulations, the California Regional Water Quality Control Board, Central Coast Region, tentatively proposes to rescind waste discharge requirements, adopt new waste discharge requirements, and adopt a cease and desist order for the wastewater discharge from the facility known as Casa de Montgomery, owned by Arlen Haffner, located at 4573 Branciforte Road, Santa Cruz.

Persons wishing to comment on or object to the draft orders must submit comments in writing to the address above no later than **July 6, 2007**. The Central Coast Water Board will not accept comments or other written submissions on the draft order after **July 6, 2007**, unless the Chair rules that exclusion would create a severe hardship and that the late submission will not prejudice any party or the Central Coast Water Board. Any person asking to submit late materials must explain why the materials were not submitted earlier. The Chair will rule at the hearing. Late submissions that consist of evidence (as opposed to policy statements or comments) are generally prejudicial unless all designated parties and Central Coast Water Board staff have time to consider the evidence before the meeting.

The Central Coast Water Board will hold a public hearing to obtain public comment and consider issuing the order at 8:30 a.m. on Friday, July 6, 2007, at the:

**Watsonville City Council Chambers
250 Main Street, Watsonville, California**

Interested persons are invited to attend to express their views on the proposed orders. Persons making presentations should confine their statements to these issues. For the accuracy of the record, all important testimony should be submitted in writing. Oral statements should be brief to allow all interested persons time to be heard.

The draft orders are posted on the Water Board's website: <http://www.waterboards.ca.gov/centralcoast/Permits/Index.htm>. The draft orders, staff report, related documents, and all comments and petitions received may be inspected and copied at the office of the Water Board, 895 Aerovista Place, Suite 101, San Luis Obispo, California, on weekdays between the hours of 8:00 a.m. and 5:00 p.m. Please direct comments and questions to **Michael Higgins** at (805) 542-4649 or mhiggins@waterboards.ca.gov, or John Robertson at (805) 542-4630 or jrobertson@waterboards.ca.gov.

Please bring the foregoing to the attention of any persons known to you who would be interested in this matter.
